

45# CTT

A premium coated sheet that has excellent thermal transfer imaging with a wide range of ribbons, and superior flexo printability.

feature	advantage	what that means to you
Robust Top Coating	- Smudge resistant thermal transfer printing	- versatility in ribbon selection and a more durable image
Smooth Surface	- Superior flexo printability	- quality looking label with less mottling
High CD Tensile	- Excellent thermal transfer print quality for high density bar codes	- consistent scan rates
Opacity - 88%	- Problem-free converting	- less downtime
Blue white appearance	- Dependable scanability of bar codes	- label functions properly
	- The shade most preferred by customers	- a label with better aesthetics

Physical Properties

basis weight:	45#/3300ft ²
caliper:	3.0mils
opacity:	88%
tear (MD):	42 grams
tensile (CD):	17#/inch

Applications

- product identification
- container labeling
- transportation / warehousing labels
- temporary identification labels
